The Transit Timetable / with Spanish is designed to be a quick reference guide of bus departure times at major bus stops. There are two sides to the timetable. One side displays bus departure times for routes located in Park City, and the reverse side shows bus departure times for routes located in Summit County.

Summit County Service Information

Bus routing information is listed in order on the left side of the page starting from the Old Town Transit Center near Historic Main Street.

Bus departure times are in line with each destination.

Park City Service Information

At the bottom of each color coded route box is first and last bus departure information from the Old Town Transit Center is displayed below each color coded route segment.

There may be additional first and last bus times noted next to routing information. Also, there are many additional bus stops along each route aside from the ones shown on the timetable.

Some of our summer routes are in service for part of the summer season. For those particular routes there is an additional note above the color coded route box indicating the service dates.
