SECTION 8. RECREATION SERVICES AND FACILITY RENTAL FEES

8.1 PURPOSE AND PHILOSOPHY. Recreation Services, the Parks Department, Miners Hospital Community Center and the Library are supported primarily by tax dollars through the City's General Fund. The Golf Course has been established as an enterprise fund and should be primarily supported by revenues other than taxes. This policy applies to Recreation Services and the Golf Course Enterprise fund.

The purpose of this section is to establish a level of operations and maintenance cost recovery for programs, activities and facilities, and direction for establishing fees and charges for the use of and/or participation in the programs, activities and facilities offered by the Recreation Services, Golf Course, Library, and Miners Hospital Community Center.

It is the intent of the City to offer its Recreation Services programs, activities and facilities to the entire community. To help offset the cost of providing these services, and since the primary beneficiaries of these services are users, it is appropriate to charge fees that are adequate to fund operation of the facility in line with other like programs.

8.2 COST RECOVERY. It is the intent of the City to recover roughly 70% of the operations and maintenance expenses incurred by the Recreation Department and the Recreation Center and 100% of the operations and maintenance expenses incurred by the Golf Course through sources of revenue other than taxes. The City's cost recovery plan is described in detail in the City's budget document. User fees should not be considered the only source for accomplishing this objective. Revenues may also include:

- Increases in program participation.
- Fees charged for non-recreational use of facilities (conventions/special events)
- Rental income
- New programs or activities
- Private sponsorship of programs or activities
- Public agency grants or contributions.

8.3. ESTABLISHING USER FEES. Fees shall be set at a level which ensures program quality and meets the objectives of the City Council.

8.3.1 Area Resident Discount: Those people whose primary residence is within the Park City School District limits; are currently paying property tax within Park City School District limits; or are holding a valid Park City business license and leasing or renting office space within Park City are entitled to receive a discount on user fees for the Recreation Center and Golf Course.

8.3.2 Recreation Program Fees: The Recreation Department, the Recreation Center and the Golf Course offer a variety of organized programs and activities. Due to the fluctuations in the number of participants and frequent changes in circumstances, program fees are established on a program-by-program basis by dividing the number of projected participants by the estimated program costs. Fees are then published on the city’s website. In most cases, fees will be kept commensurate with fees charged by others providing like service.
8.3.3 Fees for Non-Recreational Activities at the Recreation Center: The fees charged for non-recreational or special event use will be competitive with the marketplace providing the fees cover a minimum of: a) the costs involved in the production of the event; and, b) recovery of lost revenue.

The Recreation Center facility is principally for recreation. Non-recreation activities usually will be charged up to fifty percent (50%) more than the minimum. No fee waivers for non-recreational or special event use will be permitted. However, the City Council may authorize the City to pay all or a portion of the fee in accordance with the master festival ordinance provisions.

8.3.4 Fee Increases: Recommendations for fee increases may be made on an annual basis. The City will pursue frequent small increases as opposed to infrequent large ones. Staff will be required to provide an annual review and analysis of the financial posture of the Golf Course Fund along with justification for any recommended increase. When establishing fees, the City will consider rates charged by other public and private providers as well as the ability of the users to pay.

To establish and maintain the Council's objective of 70% cost recovery, the City Manager will have the authority to annually increase fees up to $.50 or 10%, whichever is greater. Any requested increase over that amount will require Council action.

Fee increases will take place only if they are necessary to achieve the City Council's objective and maintain program quality, and only with the authorization of the City Manager or the City Council.

8.3.5 Discounting Fees: The Recreation Services Manager may, at his or her discretion, discount fees when:

- Offering special promotions designed to increase use.
- Trying to fill non-prime time.
- Introducing new programs or activities.
- Playing conditions are below standard due to weather or facility disrepair.

8.3.6 Fee Waivers: The City intends that no resident under 18 years old or over age 65 be denied the use of any program, activity or facility for reasons of financial hardship. The Recreation Services Manager may, at his discretion, waive all or a portion of a fee, or may arrange offsetting volunteer work for anyone demonstrating an inability to pay for services.

8.4. RECREATION CENTER:

8.4.1 Recreation Center Fees

Punch Card Admission. For ease of administration and convenience to users, a punch card system has been established for Recreation Center programs and activities. The purchase of a punch card may result in a savings off the regular rate.

On September 8, 2002, the Library Board voted to change the fee charged to some non-resident library users.

9.2. Recreation Program Fees: The Park City Ice Arena offers a variety of organized programs and activities. Due to the fluctuations in the number of participants and frequent changes in circumstances, program fees are established on a program-by-program basis by dividing the number of projected participants by the estimated program costs.

9.3. Fee Increases: Recommendations for fee increases may be made on an annual basis. The City will pursue frequent small increases as opposed to infrequent large ones. Staff will be required to provide an annual review and analysis of the financial posture of the Ice Arena Fund along with justification for any recommended increase. When establishing fees, the City will consider rates charged by other public and private providers as well as the ability of the users to pay.

The City Manager will have the authority to annually increase fees up to $.50 or 10%, whichever is greater. Any requested increase over that amount will require Council action. Fee increases will take place only if they are necessary to achieve the City Council’s objective and maintain program quality, and only with the authorization of the City Manager or the City Council.

9.4. Discounting Fees: The Ice Arena Manager may discount fees when:

a. Offering special promotions designed to increase use.
b. Trying to fill non-prime time.
c. Introducing new programs or activities.
d. Playing conditions are below standard due to weather or facility disrepair.

9.5. Fee Waivers: The City intends that no resident under 18 years old or over age 65 be denied the use of any program, activity or facility for reasons of financial hardship. The Ice Arena Manager may, at her discretion, waive all or a portion of a fee, or may arrange offsetting volunteer work for anyone demonstrating an inability to pay for services.

The Ice Arena is pleased to offer the Fee Reduction program as a means for individuals to apply for reduced costs associated with our youth programs. Not all programs are eligible for fee reduction. Applicants must be residents of Summit or Wasatch Counties and submit an application. Program fees may be discounted up to 75% off for students in the Park City School District who qualify for free or reduced lunch. Fees may be discounted for specified youth and adult programs based on an individual’s Average Median Income (AMI). Families qualifying for Fee Reduction may receive Public Skate admission and Skate Rental for a combined $3.00 per person.

9.6 Establishing Fields User Fees: Fees shall be set at a level which ensures field quality and meets the objectives of the City Council. Resident rates apply to residents of Park City School District. Visitor rates apply to requests outside of the Park City School District Boundaries. In order to receive the resident rate a minimum of 75% of the participants must be residents of the Park City School District. A service charge of 2% will be applied to credit card charges over $5,000.
