I. Introduction and Project Description

Over the course of the last year, the Historic Preservation Board (HPB) has indicated as part of their Visioning goals the intent to continue the Preservation Awards program. The awards program is to be based on a Project utilizing the Design Guidelines for Historic Districts and Historic Sites and the focus of the award may change from year to year. The Board has agreed that the HPB Preservation Award should not compete with any of the Historical Society’s awards, but complement the existing joint preservation efforts already taking place and highlight the Design Guidelines for Historic Districts and Historic Sites by which all development in the Historic Districts must comply.

Properties are selected for this award based on the following categories:

- Adaptive Re-Use
- Infill Development
- Excellence in Restoration
- Sustainable Preservation
- Embodiment of Historical Context
- Connectivity of Site

Previous award recipients include:
- 2011: High West Distillery, oil painting by Sid Ostergaard
- 2012: Washington School House Hotel, oil painting by Jan Perkins
- 2013: 515 Main Street, painting by Bill Kranstover, and 929 Park Avenue, painting by Dori Pratt
- 2014: Garage at 101 Prospect, painting by Bill Kranstover
- 2015: 562 Main Street, painting by Cara Jean Means

All of these paintings are showcased on the main and second levels of City Hall.

In December 2016, the HPB chose the historic California Comstock mill as the recipient of the 2016 Historic Preservation Award.

II. Selection Process

The selection committee will choose finalists for the 2016 Historic Preservation Award project described in Section I above. The Awards Committee includes three (3) members of the Historic Preservation Board (HPB) as well as Planning Department staff.

Finalists may be invited to interview with the Awards Committee in early March 2017. The Awards Committee will then select one (1) artist to create one (1) art piece honoring the Historic Preservation Award recipient, the California Comstock Mill building.

The Service Provider shall indemnify and hold the City and its agents, employees, and officers, harmless from and shall process and defend at its own expense any and all claims, demands, suits, at law or equity, actions, penalties, losses, damages, or costs, of whatsoever kind or nature, brought against the City arising out of, in connection with, or incident to the execution of this Agreement and/or the Service Provider’s defective performance or failure to perform any aspect of this Agreement;
provided, however, that if such claims are caused by or result from the concurrent negligence of the City, its agents, employees, and officers, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Service Provider; and provided further, that nothing herein shall require the Service Provider to hold harmless or defend the City, its agents, employees and/or officers from any claims arising from the sole negligence of the City, its agents, employees, and/or officers. The Service Provider expressly agrees that the indemnification provided herein constitutes the Service Provider’s limited waiver of immunity as an employer under Utah Code Section 34A-2-105; provided, however, this waiver shall apply only to the extent an employee of Service Provider claims or recovers compensation from the City for a loss or injury that Service Provider would be obligated to indemnify the City for under this Agreement. This limited waiver has been mutually negotiated by the parties, and is expressly made effective only for the purposes of this Agreement. The provisions of this section shall survive the expiration or termination of this Agreement.

B. No liability shall attach to the City by reason of entering into this Agreement except as expressly provided herein.

8. **TREATMENT OF ASSETS.**

A. **Ownership:** Service Provider hereby irrevocably assigns, conveys and otherwise transfers to City and its respective successors and assigns title to the project Work and all proprietary rights thereto.

B. **Duplication of Art:**
   (i) Service Provider hereby irrevocably assigns, conveys and otherwise transfers to City and its respective successors and assigns title to the project Work and all proprietary rights thereto. Service Provider retains all rights under the Federal Copyright Act and all other rights in and to the Work except ownership and possession, and except as such rights are limited by this Agreement.

   (ii) In view of the intention that the Art in its final dimension shall be unique, Service Provider shall be permitted to make duplicate copies of the Work, however Service Provider shall in good faith endeavor to differentiate the copies from the original in accordance with industry standards, for example, by reducing the size of the copy relative to the dimensions of the original and provided Service Provider acknowledges that the original Work was commissioned by and in the public art collection of Park City, Utah. Duplication of the image for notecards or
postcards is permitted. Service Provider may also use depictions of the Art in personal promotional materials such as portfolios or resumes. Service Provider shall not grant permission for others to do so except with the written permission of the City.

(iii) Service Provider grants to the City and its assigns an irrevocable license to make two- and/or three-dimensional reproductions of the Art for commercial or noncommercial purposes, including but not limited to reproductions used in advertising, brochures, media publicity, fundraising, and catalogs or other similar publications, provided that these rights are exercised in a tasteful and professional manner. Wherever practicable, City shall make reasonable efforts to include Service Provider’s name in any such advertisement, brochure, media publicity, catalog or other similar publication in which the Art appears and to notify the Service Provider of its efforts.

C. Repair or Restoration: Where, in the opinion of the City or Service Provider, repairs and/or restoration of the Art are required for which Service Provider is not responsible pursuant to the terms of this Agreement, the City shall, when reasonably practicable, give Service Provider the opportunity to accomplish such repairs and/or restoration if a reasonable fee can be agreed upon between the City and Service Provider. Nothing herein shall obligate the City to make such repairs and/or restoration nor to contract with Service Provider to accomplish such repairs and/or restoration.

D. Independent Sale: If in the future the City wishes to sell the Art separate and apart from any real property to which the Art may be integrated or affixed, Service Provider shall, when reasonably practicable, be given a right of first refusal to purchase the Art from the City. This Paragraph is not intended to give Service Provider any rights if the Art is sold by the City as part of or the consequence of the sale of the City’s interests in real property. The rights of Service Provider under this Paragraph shall expire after fifteen (15) years from the date of execution of this Agreement; and said rights shall be specific to Service Provider personally and shall not be transferred, assigned, pledged or levied upon, nor shall they pass by way of inheritance or other operation of law to any third person.
E. **Notice:** Service Provider agrees to keep the City notified in writing of changes in Service Provider’s address, and failure to do so shall be deemed a waiver of Service Provider’s right of first refusal in Paragraph 8D above.

F. **Warranty:** If, within one year after the date of the completion of installation of the Project and acceptance by the City, the Project or any component or material thereof is found to be defective or to not be in accordance with the Design Plans and Construction Documents attached at Exhibit A, Service Provider shall correct it promptly after receipt of a written notice from the City to do so unless the City has previously given Service Provider a written acceptance of such condition. This obligation shall survive acceptance of the Project under this Agreement and termination of this Agreement. Nothing contained in this Paragraph shall be construed to establish a period of limitation with respect to any other obligation which Service Provider might have under this Agreement, including Paragraph 4 herein. The establishment of the time period of one year after completion of installation and acceptance by the City relates only to the specific obligation of Service Provider to correct the Project, and has no relationship to the time within which Service Provider’s obligations to comply with the Design Plans and Construction Documents may be sought to be enforced, nor the time within which proceedings may be commenced to establish Service Provider’s liability with respect to an obligation other than to specifically correct the Project.

9. **COMPLIANCE WITH LAWS.**

A. The Service Provider, in the performance of this Agreement, shall comply with all applicable federal, state, and local laws and ordinances, including regulations for licensing, certification and operation of facilities, programs and accreditation, and licensing of individuals, and any other standards or criteria as described in this Agreement to assure quality of services.

B. Unless otherwise exempt, the Service Provider is required to have a valid Park City Business License.

C. The Service Provider specifically agrees to pay any applicable fees or charges which may be due on account of this Agreement.

D. If this Agreement is entered into for the physical performance of services within Utah the Service Provider shall register and participate in E-Verify, or equivalent program.

10. NONDISCRIMINATION.

A. The City is an equal opportunity employer.

B. In the performance of this Agreement, the Service Provider will not discriminate against any employee or applicant for employment on the grounds of race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap; provided that the prohibition against discrimination in employment because of handicap shall not apply if the particular disability prevents the proper performance of the particular worker involved. The Service Provider shall ensure that applicants are employed, and that employees are treated during employment without discrimination because of their race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap. Such action shall include, but not be limited to: employment, upgrading, demotion or transfers, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and programs for training including apprenticeships. The Service Provider shall take such action with respect to this Agreement as may be required to ensure full compliance with local, state and federal laws prohibiting discrimination in employment.

C. The Service Provider will not discriminate against any recipient of any services or benefits provided for in this Agreement on the grounds of race, creed, color, national origin, sex, marital status, age or the presence of any sensory, mental or physical handicap.

D. If any assignment or subcontracting has been authorized by the City, said assignment or subcontract shall include appropriate safeguards against discrimination. The Service Provider shall take such action as may be required to ensure full compliance with the provisions in the immediately preceding paragraphs herein.

11. ASSIGNMENTS/SUBCONTRACTING.

A. The Service Provider shall not assign its performance under this Agreement or any portion of this Agreement without the written consent of the City, and it is further agreed that said consent must be sought in writing by the Service Provider not less
Park City Municipal Corporation Service Provider/Professional Services for Commissioned Art

than thirty (30) days prior to the date of any proposed assignment. The City reserves the right to reject without cause any such assignment.

B. Any work or services assigned hereunder shall be subject to each provision of this Agreement and property bidding procedures where applicable as set forth in local, state or federal statutes, ordinance and guidelines.

C. Any technical/professional service subcontract not listed in this Agreement, must have express advance approval by the City.

D. Each subcontractor that physically performs services within Utah shall submit an affidavit to the Service Provider stating that the subcontractor has used E-Verify, or equivalent program, to verify the employment status of each new employee, unless exempted by Utah Code Ann. 63G-11-103.

12. **CHANGES.**

Either party may request changes to the scope of services and performance to be provided hereunder, however, no change or addition to this Agreement shall be valid or binding upon either party unless such change or addition be in writing and signed by both parties. Such amendments shall be attached to and made part of this Agreement.

13. **RIGHT TO INSPECT WORK IN PROGRESS:**

A. Service Provider shall provide the City access to the Project in preparation and progress wherever located. Whenever the City considers it necessary or advisable for the implementation of the intent of this Agreement, the City will have authority to inspect the Project and to require special inspection or testing of the Project or its components to ascertain whether it is in accordance with the Scope of Services attached as Exhibit A, or following the Design Phase, the Design Plans and Construction Documents. If such inspection or special inspection or testing reveals a failure of the Project or the components thereof to comply with the requirements of the Design Plans and Construction Documents, Service Provider shall bear all costs of the correction of the defective work, including compensation for the City’s additional services made necessary by such failures; otherwise, the City shall bear the costs of such inspection and testing. Service Provider shall not be relieved from the obligation to fabricate and produce the Project and to install the Project in accordance with the Design Plans and Construction Documents by reason of the City’s failure to
reject the Project or any component thereof or by any inspections, tests or approvals performed by the City.

B. In the event the City does not find the Project, as it progresses, in compliance with the Design Plans and Construction Documents, this Agreement, and/or the International Building Code, 2003 Edition, the City has the option at any time and for any reason to terminate this contract. Payment will be made to Service Provider for the Project completed to date of termination. The state of the completion of the Project and the amount which may be due hereunder shall be determined solely by the City. If such termination is due to a substantial variance from the Design Plans and Construction Documents set forth in Exhibit A, this Agreement, and/or the International Building Code, 2003 Edition, the City shall have the option of paying nothing hereunder and of requiring repayment by Service Provider of any sums previously paid by the City. Upon such termination, Service Provider shall retain all rights to the concept, design, and the Art itself, including the right to complete, exhibit and sell the Art. However, upon such termination, the City shall have the right to require the Work itself be removed from the property of the City.

C. Service Provider agrees to accommodate reasonable requests by City for access to the Project in preparation and progress for the purpose of promoting the arts so long as such access does not interfere with the progress and timing of Service Provider’s work.

14. **PROHIBITED INTEREST.**

No member, officer, or employee of the City shall have any interest, direct or indirect, in this Agreement or the proceeds thereof.

15. **MODIFICATIONS TO TASKS AND MISCELLANEOUS PROVISIONS.**

A. All work proposed by the Service Provider is based on current government ordinances and fees in effect as of the date of this Agreement.

B. Any changes to current government ordinances and fees which affect the scope or cost of the services proposed may be billed as an extra or deleted from the scope, at the option of the City.

C. The City shall make provision for access to the property and/or project and adjacent properties, if necessary for performing the services herein.
16. **TERMINATION.**

A. Either party may terminate this Agreement, in whole or in part, at any time, by at least thirty (30) days written notice to the other party. The Service Provider shall be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination. The Service Provider shall promptly submit a termination claim to the City. If the Service Provider has any property in its possession belonging to the City, the Service Provider will account for the same, and dispose of it in a manner directed by the City.

B. If the Service Provider fails to perform in the manner called for in this Agreement, or if the Service Provider fails to comply with any other provisions of the Agreement and fails to correct such noncompliance within three (3) days written notice thereof, the City may immediately terminate this Agreement for cause. Termination shall be effected by serving a notice of termination on the Service Provider setting forth the manner in which the Service Provider is in default. The Service Provider will only be paid for services performed in accordance with the manner of performance set forth in this Agreement.

17. **NOTICE.**

Notice provided for in this Agreement shall be sent by certified mail to the addresses designated for the parties on the last page of this Agreement.

18. **ATTORNEYS FEES AND COSTS.**

If any legal proceeding is brought for the enforcement of this Agreement, or because of a dispute, breach, default, or misrepresentation in connection with any of the provisions of this Agreement, the prevailing party shall be entitled to recover from the other party, in addition to any other relief to which such party may be entitled, reasonable attorney’s fees and other costs incurred in that action or proceeding.

19. **JURISDICTION AND VENUE.**

A. This Agreement has been and shall be construed as having been made and delivered within the state of Utah, and it is agreed by each party hereto that this Agreement shall be governed by laws of the state of Utah, both as to interpretation and performance.

   A. If, for any reason, any part, term, or provision of this Agreement is held by a court of the United States to be illegal, void or unenforceable, the validity of the remaining provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular provision held to be invalid.

   B. If it should appear that any provision hereof is in conflict with any statutory provision of the state of Utah, said provision, which may conflict therewith shall be deemed inoperative and null and void insofar as it may be in conflict therewith, and shall be deemed modified to conform in such statutory provisions.

21. **ENTIRE AGREEMENT.**

   The parties agree that this Agreement is the complete expression of the terms hereto and any oral representations or understandings not incorporated herein are excluded. Further, any modification of this Agreement shall be in writing and signed by both parties. Failure to comply with any of the provisions stated herein shall constitute material breach of contract and cause for termination.
