# PRIVATE LESSONS

FOR FIGURE SKATING OR HOCKEY

**Who can take private lessons?** Any skater of any age or ability level can take private lessons at any time. It is not necessary to complete all levels of the Park City Skating Academy or Hockey Academy before beginning private lessons. Skaters who want to progress more quickly through the figure skating levels and who want to compete and test through U.S. Figure Skating should take private lessons. Hockey players who need to focus on their power skating skills, agility or speed should also consider private lessons.

**How do you choose a coach?** All of our coaches' bios are located on this flyer. If you know who you would like to work with, you may contact them directly to schedule lessons. If you are unsure, contact the Skating or Hockey Academy Director to help you schedule lessons.

**When can you take private lessons?** Figure skaters may take lessons during any scheduled Open Skate session, freestyle session or during Figure Skating Club time. Hockey players working on skating skills may take a lesson during any Open Skate session, but lessons utilizing a stick and a puck must be scheduled during a Stick & Puck session.

**How do you pay for private lessons?** Skaters will need to pay appropriate admission fees for ice time and skate rental at the front office of the Park City Ice Arena. Professionals will be paid directly for private lessons. Rates vary by instructor and run from \$20-\$40 per 1/2 hour lesson.

**Still have more questions?**

Contact the Skating Academy Director at (435) 615-5704 or the Hockey Academy Director at (435) 615-5702.
