Class Descriptions

All group fitness classes are open to any level. We have designated some classes as more advanced but this does not preclude a beginner from attending. Please notify the instructor before starting if you are a beginner or first time student. Our instructors are trained professionals and design classes to be safe, however all classes are at your own risk.

Aquafit - Fun low impact workouts that build strength, balance, and cardio to good music and good company in the leisure pool.

Barre - Barre 50 is low impact and encompasses strength training through isometric movements, high repetition and powerful holds. This full body workout focuses on all the major muscle groups: core, glutes, arms, thighs, and back body resulting in strength, increased flexibility, and improvement with overall posture and balance.
