# *Let's Talk Parking*

---

Please join us for one of two community forums to discuss the upcoming Old Town Parking Management Plan. This is a great opportunity to review the current status of the Old Town Parking Management Plan, ask questions, and provide feedback about your commuter patterns, parking needs, and provide your input on incentive programs.

Park City Municipal's Parking Manager Kenzie Coulson and Julie Dixon, parking consultant and expert, will be leading the dialogue. It's a great chance to hear about the plan, demand-based paid parking, free transit options, way-finding, branding and much more!

We look forward to your input and engagement.
