

## Exhibit B – March for Our Lives Analysis and Site Map

In accordance with section [4A-2-3](#) of the Municipal Code, staff finds March for Our Lives, First Amendment Event Permit is an activity conducted for the purpose of expressing political, social, religious or other views protected by the First Amendment of the United States Constitution and Article 1, Section 15 of the United States Constitution, including speechmaking, marching, demonstrating and debating public issues:

- 1) On City property;
- 2) Necessitating a partial street closure; and
- 3) Creating impacts on services and transportation arising from the size of the event.

Staff has been working with the applicants, Maya Levine and Park City Institute, regarding logistics, safety and security for the event. Staff believes that because of the nature of this event, there will be a large turnout from families and organizations that are in support.

- There is another March for Our Lives event being organized in Salt Lake and Provo at the same time, although we believe this event will likely be focused on Park City/ Summit County community members.

### **Fee Reduction**

The applicant was given a Special Event City Service fee estimate.
