The purpose of this section is to establish a level of operations and maintenance cost recovery for programs, activities and facilities, and direction for establishing fees and charges for the use of and/or participation in the programs, activities and facilities offered by the Recreation Services, Golf Course, Library, and Miners Hospital Community Center.

It is the intent of the City to offer its Recreation Services programs, activities and facilities to the entire community. To help offset the cost of providing these services, and since the primary beneficiaries of these services are users, it is appropriate to charge fees that are adequate to fund operation of the facility in line with other like programs.

8.2 COST RECOVERY. It is the intent of the City to recover roughly 70% of the operations and maintenance expenses incurred by the Recreation Department and the PC MARC and 100% of the operations and maintenance expenses incurred by the Golf Course through sources of revenue other than taxes. The City's cost recovery plan is described in detail in the City's budget document. User fees should not be considered the only source for accomplishing this objective. Revenues may also include:

- Increases in program participation.
- Fees charged for non-recreational use of facilities (conventions/special events)
- Rental income
- New programs or activities
- Private sponsorship of programs or activities
- Public agency grants or contributions.

8.3. ESTABLISHING USER FEES. Fees shall be set at a level which ensures program quality and meets the objectives of the City Council.

8.3.1 Area Resident Discount: Those people whose primary residence is within the Park City School District limits; are currently paying property tax within Park City School District limits; or are holding a valid Park City business license and leasing or renting office space within Park City may receive a discount on user fees for the PC MARC and Golf Course.

8.3.2 Recreation Program Fees: The Recreation Department, the PC MARC and the Golf Course offer a variety of organized programs and activities. Due to the fluctuations in the number of participants and frequent changes in circumstances, program fees are established on a program-by-program basis by dividing the number of projected participants by the estimated program costs. Fees are then published on the city's website. In most cases, fees will be kept commensurate with fees charged by others providing like service.

8.3.3 Fees for Non-Recreational Activities at the PC MARC: The fees charged for non-recreational or special event use will be competitive with the marketplace providing the fees cover a minimum of: a) the costs involved in the production of the event; and, b) recovery of lost revenue.

The PC MARC facility is principally for recreation. Non-recreation activities usually will be charged up to fifty percent (50%) more than the minimum. No fee waivers for non-recreational or special event use will be permitted. However, the City Council may authorize the City to pay all or a portion of the fee in accordance with the master festival ordinance provisions.

8.3.4 Fee Increases: Recommendations for fee increases may be made on an annual basis. The City will pursue frequent small increases as opposed to infrequent large ones. Staff will be required to provide an annual review and analysis of the financial posture of the Golf Course Fund along with justification for any recommended increase. When establishing fees, the City will consider rates charged by other public and private providers as well as the ability of the users to pay.

To establish and maintain the Council's objective of 70% cost recovery, the Recreation Director will have the authority to annually increase fees up to \$.50 or 10%, whichever is greater. Any requested increase over that amount will require Council action.

Fee increases will take place only if they are necessary to achieve the City Council's objective and maintain program quality, and only with the authorization of the Recreation Director or the City Council.

8.3.5 Discounting Fees: The Recreation Director may, at their discretion, discount fees when:

- Offering special promotions designed to increase use.
- Trying to fill non-prime time.
- Introducing new programs or activities.
- Playing conditions are below standard due to weather or facility disrepair.

8.3.6 Fee Waivers: The City intends that no resident under 18 years old or over age 65 be denied the use of any program, activity, or facility for reasons of financial hardship. The Recreation Director may, at their discretion, waive all or a portion of a fee, or may arrange offsetting volunteer work for anyone demonstrating an inability to pay for services.

8.3.7 Sliding Fee Scale: The purpose of this program is to provide both adult & youth residents of the Park City School District (PCSD) with the opportunity to apply for a reduced fee for certain recreation activities. The fee reduction is based on Summit County's Average Median Income (AMI) and the applicant's gross family income. The discounts range from 30 to 70% depending on Gross Family Income.

Sliding Fee Scale

	One	Two	Three	Four	Five
