2. What are the ages for Summer Day Camp?

Camp is open to children ages 6-12 years. Exceptions may be made for 5 year olds ON A TRIAL BASIS only if they meet the following criteria: 1) have attended a full day kindergarten or pre-school program, 2) have an older sibling in the program, AND 3) are registering as a full summer camper. Camp days are long, busy days and even our 6 year olds sometimes have a hard time keeping up. If camp staff feel that a child is too young for the program, we reserve the right to notify the parents and cancel the child's registration with a refund for days not attended. Please note: exceptions must be requested PRIOR to registration by contacting Spencer Madanay: [spencer.madanay@parkcity.org](mailto:spencer.madanay@parkcity.org) or 435-615-5412.

3. Are scholarships available for 2022 Summer Day Camp?

Yes. Applications for Park City Recreation's Sliding Fee Scale program are available online and in person at the MARC front desk. Applications must be received and approved prior to registration opening for the best chance at enrollment. For questions on the Sliding Fee Scale Program, contact Sadie Hennefer or 435-615-5402. <https://www.parkcity.org/departments/park-city-marc-recreation/recreation-programs/fee-reduction-program>

4. Do I need to register for add-on programs on April 1<sup>st</sup> as well? (Skate, tennis, swim, archery & golf)

You can, but in some cases it's not necessary. Add-on programs are available for registration throughout the summer. Occasionally these programs do sell out for a session, so it is best to register in advance, but as long as space is available you and your child can decide what is best for them as the summer progresses.

5. Is the entire balance of camp registration due at time of registration?

Yes. Online registrations can only be made with full payment. If you need to make alternative payment arrangements please contact Spencer Madanay *prior* to registration opening to discuss options.

6. My child is on the waitlist – how does that work?

When camp begins on June 6<sup>th</sup> our staff will monitor numbers on a daily basis. If space becomes

available they will make phone calls according to the waitlist to fill spots. From the very first day of camp parents will be making changes and often spaces will open up. You may also call camp at 435-615-5440 during office hours (8am – 10am & 4-5pm) to inquire about space availability.

#### 7. What are camp hours?

Park City Summer Day Camp is open from 8am – 5:45pm Monday through Friday, June 6<sup>th</sup> – August 12<sup>th</sup>, 2021. Please note that while camp is available for early drop-off and late pick-up, *organized activities take place between 10am – 4pm*. 8-10am and 4-5:45pm is supervised free time.

#### 8. How do field trips work?

Due to the increase in capacity, field trips will be held both in-house and offsite. Campers will be required to participate in the In-house or local fieldtrips – Parents who do not pay for these in advance will be charged automatically to the card on file. These field-trips will be a smaller cost as we will have presenters join us at City Park.

Offsite fieldtrips are limited in space as we utilize a chartered bus company. **Each** camper will have their own designated seat on the chartered bus – Smaller children who require a car seat will be given priority to ride in the recreation van. Registration for field-trips open on April 1<sup>st</sup> at 6am. Those who do not want their child to attend an offsite field trip now have an option to stay on-site at City Park for the day. Likewise, campers who do not secure a spot on a field-trip will stay on-site at City Park. Offsite fieldtrips incur a higher cost to cover transportation and entry fees. We do our best to keep these trips affordable while still providing fun alternatives for the kids. Registration for field trips may be done in advance online or at camp.
