

Leadership Park City Announces Class 28 Roster

Leadership Park City celebrates the graduates of Class 27 and welcomes members of Class 28

Park City, Utah (September 24, 2021) — Leadership Park City is proud to announce the members of its 28th Leadership Class. The selection committee chose 36 class members from an impressive group of over 80 applicants.

Applicants hailed from Summit, Wasatch, and Salt Lake Counties, though all have some connection to Park City through their work or personal life. “We are pleased to congratulate members of Class 27 on their class project and graduation, and excited to welcome a very impressive Class 28,” said Myles Rademan, Leadership Park City founder and director.

Candidates who were not selected for this year’s class are encouraged to reapply in 2022. This year, the Leadership program includes two in-person events open to the public: the Community Leadership Lecture on the evening of March 21, and a one-day “Leadership 101” class on Friday, February 11. All are encouraged to attend. More information about these events and the Leadership program may be found at <https://www.parkcity.org/departments/leadership-park-city>.
