

Board of Adjustment Meeting
April 17, 2018

3. Any parking in the drive will not be considered private parking.
4. All legal parking must be provided on-site and shall not encroach into the City's right-of-way.
5. The City Engineer will require an Encroachment Agreement for the proposed bridged driveway to be executed and recorded prior to issuance of a building permit.

Chair Gezelius adjourned the meeting at 6:47 p.m.

Approved by _____
Ruth Gezelius, Chair
Board of Adjustment
