WHEREAS, the City Council indicated a willingness to consider a future, broader amendment to the whole subdivision which better aligns with the original intent and methodology of the original planning approval, subject to a Finding of Good Cause by the Planning Commission and City Council.

NOW, THEREFORE BE IT ORDAINED by the City Council of Park City, Utah, as follows:

**SECTION 1. DENIAL.** The Mountain Ridge Lot 13 Plat Amendment at 3099 Mountain Ridge Court, is denied subject to the following Findings of Fact and Conclusions of Law:

**Findings of Fact**

***Background:***

1. The property is located at 3099 Mountain Ridge Court.
2. The property is listed with Summit County as Parcel Number MR-13.
3. The property is in the Single Family (SF) Zoning District.
4. On August 4, 2021, the Applicant submitted a Plat Amendment application to the Planning Department. The application was deemed complete on September 27, 2021.
5. The proposed Plat Amendment increases the maximum square feet for the existing Single-Family Dwelling.
6. No easement is vacated or amended because of the Plat Amendment.
7. The LMC regulates Lot and Site Requirements per LMC § 15-2.11-3.
8. A Single-Family Dwelling is an allowed Use in the SF Zoning District.
9. The SF Zoning District minimum Front Setback is twenty feet (20').

- 10. The SF Zoning District minimum Rear Setback is fifteen feet (15').
- 11. The SF Zoning District minimum Side Setback is twelve feet (12').
- 12. The Mountain Ridge Subdivision requires a minimum Front Setback of twenty feet (20') for Lot 13.
- 13. The Mountain Ridge Subdivision restricts building height to twenty-five feet (25') as measured from natural, existing grade at the building site. Gable, hip, gambrel, or other pitched roofs may extend up to thirty feet (30').
- 14. The Mountain Ridge Subdivision restricts the maximum total square footage of Lot 13 to 3,247 square feet. The Applicant proposes to amend the total allowed square footage to 3,410 square feet.
- 15. On February 9, 2022, the Planning Commission reviewed the Application and forwarded a negative recommendation to the City Council. The Planning Commission clarified the negative recommendation is because the Applicant's request does not meet the requirements for Good Cause and is inconsistent with the original intent and methodology of the Subdivision Plat.
- 16. The City Council agrees with the Planning Commission findings that a case-by-case expansion of maximum house sizes without analyzing the visual corridors, setbacks and other impacts of the subdivision as a whole is inconsistent with the uniform and fair planning that limited site disturbance and home sizes to approximately 24% of the lot area in accordance with a comprehensive plan.
- 17. Other owners in the subdivision relied upon the square footage limits to build upon their lots and oppose the amendment. Piecemeal adjustments will set a precedent and threaten the Compatibility ensured by the original approval.

**Conclusions of Law**

- 1. There is not Good Cause for this Plat Amendment.
- 2. The Plat Amendment is not consistent with the Park City Land Management Code, including failing to ensure Compatibility as required in LMC Chapter 15-2.11, *Single Family (SF) District*, and the original Lot square footage limits as approved pursuant to LMC § 15-7.1-6, *Final Subdivision Plat*.

**SECTION 2. EFFECTIVE DATE.** The Ordinance shall take effect upon publication.

PASSED AND ADOPTED this 31<sup>st</sup> Day of March, 2022.
