I. Introduction.

The Park City Library is a community gathering place. The library was renovated in 2015 and includes places for people to study, community meeting rooms, a collection of over 70,000 items, a digital media lab, public art, computers for community use, an interactive children's area, and a dynamic teen area. The library is an active community center that brings in more than 148,000 visitors per year. There are private rentals of the facility outside library hours and flexible community meeting spaces are used throughout the year. People also come to the building daily for numerous activities including morning preschool pick-up and drop-off, and to play with dogs in the dog park outside.

The goal of the early childcare facility within the library is to create a year-round, welcoming, multi-use environment that provides high-quality, affordable, all-day care options for early childcare. We seek a long-term relationship with a Respondent who cares for and educates children from the age of infants (0) to pre-k of parents/guardians who live and/or work in Park City (84060 zip code). Programs that prioritize infant (0) to 3 early childhood care will be prioritized. The Respondent will be a welcoming part of our community fabric and work to address early childcare needs in our community. The most recent links regarding [Park City Cares About Kids Proposal](#), [Developmental and Workforce Benefits of High-Quality Childcare](#) and [Park City Childcare Needs](#) may be helpful as reference for Respondents.

Park City Film and Lucky Ones Coffee are other tenants in the building. The Park City Film is located on the third floor of the building, adjacent to the early childcare space, and programs the Santy Auditorium approximately 130 days per year. The City also hosts the Sundance Film Festival in the Santy Auditorium for 11 days each January. The vending for Sundance Film Festival is operated by the Sundance Institute and occurs in the third-floor community room and tent in the north field during the Festival. The early childhood facility will be permitted to operate during Park City Film Series programs, during daytime and evening programming, and during the Sundance Film Festival, but will be required to coordinate with the City and the organizations to mitigate impacts during these events.

II. Scope of Project.

The City seeks a qualified early childcare provider to enter into a Property Lease that expires on June 30, 2024. The Lease will include an annual review and an option for a four-year renewal (through June 30, 2028). An additional option for a five-year extension at the City's option may be considered six months before June 30, 2028, ending June 30, 2033. This is a potential for a 10-year Property Lease. The City prefers proposals that closely align with and further the City's goals, specifically surrounding the critical need for childcare in our community.

The hours of the library are Monday through Thursday 9:00 a.m. to 8:00 p.m.; Friday and Saturday 9:00 a.m. to 5:00 p.m., and Sunday 1:00 p.m. to 5:00 p.m. It is preferred that the early childcare provider be open from 7:30 a.m. to 5:30 p.m. However, hours may be negotiated as part of the final Agreement by the respondent and the City.

The early childcare space is a purpose-built space that was renovated in 2015. It is approximately 1,125 square feet (**Exhibit A**) and is located in the library's third-floor south classroom. The early childcare space has access to the south stairwell and has its own entry vestibule before entering the classroom. The space comes with one-time furnishings and equipment (**Exhibit B**) that will become the Respondent's property upon execution of a Property Lease. Possible partnerships with the Park City Library such as story time, and non-exclusive use of the public space just outside in the library field are possible, where the selected Respondent can enjoy the outdoors with the community. Additionally, a playground located at the south entrance of the building is available for use exclusively by the Respondent. The Property Lease will also include two free rentals of the auditorium and two free rentals in the library space for other early childhood functions such as parent-teacher conferences.

III. Contents of Proposal and Evaluation Criteria.

A. Required content and minimum qualifications.

Proposals will be evaluated on the criteria listed below. Proposals are limited to 10 pages. An evaluation criteria and basis for award is attached as “**Exhibit C**”.

The proposal must include:

1. Experience & References: The Respondent should list at least three references and provide information about their experience in providing early childhood care.

3. Rental Fee Proposal, Tuition Schedule, and Proposed Teacher Salary: As of June 2023, the Fair Market Value of the space is estimated at \$29,075. The City assumes the value will increase with annual inflation. The Respondent should provide a rental fee proposal for the space. Depending on the proposal, the City may consider partial or complete subsidy in return for City priorities, after an appropriation of funds study as required by Utah Code Section 10-8-2. The Respondent should indicate whether they will accept Department of Workforce Services subsidy payments and other financial solutions for underserved students and families. Successful respondents should include a tuition schedule with a scale based on area median income. The proposal should also include teacher/employee pay range, living wage incentives, benefits, and time off.
4. City Priorities: Respondents that propose early childhood care for children between the ages of newborn (0) to 3 will be prioritized. Respondents should consider a year-round program (partnerships may be considered) for priority enrollment in the following order:
 - Park City Municipal employees;
 - Park City Residents (84060 zip code);
 - Park City Cooperative Preschool students who were enrolled at the end of the 2023 school year; and
 - Park City workforce (employment in 84060 zip code).Respondents should include information about their enrollment processes such as serving those who are underserved. The proposal

should clearly address how the Respondents' proposal is working to solve Park City and Summit County's childcare challenges.

5. Timeline: The Respondent shall include a proposed timeline to become operational considering licensing, Property Lease, and other requirements that may affect the timeline.
6. Marketing and Advertising: The Respondent will include information about how they will market or advertise for enrollment.
7. Improvements & General Maintenance: The Respondent shall include a list of proposed improvements needed and if any of the improvements require City funding. Respondent should include a request for exclusive and non-exclusive use of the playground.
8. Standard Facility Lease Agreement: The selected Respondent will be required to enter into a Property Lease with the City, a sample of which is attached (**Exhibit D**). Any proposed changes to the draft agreement or insurance requirements shall be submitted by the Respondent as part of the proposal.

If Respondent proposes to use a third party (subcontractor, sub-consultant, etc.) for completing all or a portion of the scope of work requirements, state the name and identify the portion of the scope of work to be completed by a third party.

B. Evaluation Criteria

Each member of the selection committee shall use the evaluation criteria and percentage weights below to establish their own ranking of the Respondents. The committee shall then use these individual rankings to establish an aggregate ranking of all the accepted proposals.

Experience, References, Description of Services, Community Experience and Relationship – (30%): (a) Respondent's ability, capacity, and skill to perform or provide the required services; (b) Respondent's demonstrated ability with respect to quality, availability, and adaptability of the services, (c) quality of Respondent's operation/performance plan;

Rental fee, Tuition Schedule, Proposed Teacher Salary, Licensing, and City Priorities, and Timeline - (50%): (a) Respondent's rental fee proposal in consideration of tuition, and teacher salary, (b) Respondent's plan to contribute to the City's defined goals, (c) Timeline for operating.

Marketing, Advertising, Improvements, Maintenance, and Standard Lease - (20%): (a) Respondent's marketing and advertising plan, (b) Respondent's Improvements and Maintenance requests, (c) Any requested changes to the Standard Lease or insurance requirements will count against the Respondent.

The selection committee will consider all documents, the presentation/interview if applicable, the response to the RFP, information gained while evaluating responses, and any other relevant information to make its determination. The committee will select the Respondent which, in the committee's sole judgment, is best able to provide early childcare services.

NOTE: Price may not be the sole deciding factor.

PCMC reserves the right to reject any and all proposals for any reason. Proposals lacking the required information will not be considered. The award of the Property Lease may be subject to approval by City Council.

IV. Government Records Access and Management Act.

All submittals will be treated as public records in accordance with the requirements of the Government Records Access and Management Act, Title 63G, Chapter 2 of the Utah Code ("GRAMA") unless otherwise designated by the Respondent pursuant to Utah Code § 63G-2-309, as amended. The burden of claiming an exemption from disclosure shall rest solely with each Respondent. Respondent shall submit any materials for which Respondent claims a privilege from disclosure marked as "Confidential" and accompanied by a statement from Respondent supporting the exemption claim. PCMC shall make reasonable efforts to notify Respondent of any GRAMA requests for documents submitted under an exemption claim. Respondent waives any claims against PCMC related to the disclosure of any materials pursuant to GRAMA. Please note the following:

- a. Respondent must not stamp all materials confidential. Only those materials for which a claim of confidentiality can be made under GRAMA, such as trade secrets, pricing, non-public financial information, etc., should be stamped.

- d. **Credit for Early Payment.** If Tenant pays Landlord the annual rent in full by September 30, 2023, then rent will be reduced by four percent (4%). 4. **Use of Premises.** The premises shall be used only for early childcare and directly related purposes. Tenant is responsible for implementing appropriate risk management and loss controls related to care giving, including controls for the safety of children, providers and staff members.

The City or its independent auditor reserves the right to conduct its own annual audit of the financial books and records at reasonable times and places during ordinary business hours provided that thirty (30) days written notice of the audit is provided to the Tenant and such notice contains a reasonable explanation for the audit. Any audit performed by Park City pursuant to this Agreement shall be performed at Park City's sole expense.

Any specialized communication facilities, equipment, wiring, cables or installations will be the Tenant's responsibility, with prior approval by Landlord. The space will include wiring, cables or chases for a wide variety for communications between spaces within the building and externally. Any specialized communication facilities, equipment, wiring, cables or installations will be the Tenant's responsibility.

9. **Insurance.** The Tenant shall procure and maintain for the duration of the Agreement, insurance against claims for injuries to persons or damage to property which may arise from or in connection with its use of the Premises. The Tenant shall provide a Certificate of Insurance evidencing:

- a. General Liability insurance written on an occurrence basis with limits no less than Two Million Dollars (\$2,000,000) combined single limit per occurrence and Four Million Dollars (\$4,000,000) aggregate for personal injury, bodily injury and

- property damage. The above can be satisfied by the combination of a primary and excess policy.
- b. The Tenant shall increase the limits of such insurance to at least the amount of the Limitation of Judgments described in section 63G-7-604 of the Governmental Immunity Act of Utah, as calculated by the state risk manager every two years as stated in Utah Admin Code R37-4-3
 - c. The above limits can be satisfied by the combination of a primary and excess policy. This policy must not contain any exclusion or limitation with respect to loading or unloading of a covered vehicle.
 - d. Professional Liability (Errors and Omissions) insurance appropriate to the Tenant's profession with annual limits no less than One Million Dollars (\$1,000,000) per occurrence. Tenant agrees to continue to procure and maintain professional liability insurance coverage meeting these requirements for the applicable period of statutory limitation of claims (or statute of repose, if applicable) after the expiration or termination of this Agreement. If written on a claims-made basis, the Tenant warrants that the retroactive date applicable to coverage precedes the effective date of this agreement; and that continuous coverage will be maintained for an extended reporting period endorsement (tail coverage) will be purchased for a period of at least three (3) years beginning from the time that work under this agreement is complete.
 - e. Sexual Abuse or Molestation (SAM) Liability: If the work will include contact with minors, and the Commercial General Liability policy referenced above is not endorsed to include affirmative coverage for sexual abuse or molestation, the Tenant shall obtain and maintain a policy covering Sexual Abuse and Molestation with a limit no less than One Million Dollars (\$1,000,000) per occurrence or claim.
 - f. Certificate of Insurance. Should any of the above-described policies be canceled before the expiration date thereof, Tenant shall deliver notice to the Landlord within thirty (30) days of cancellation. The Landlord reserves the right to request certified copies of any required policies.

The Tenant's insurance shall contain a clause stating that coverage shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the limits of the insurer's liability.

For any claims related to this Agreement, the Tenant's insurance coverage shall be primary insurance coverage with respect to Landlord, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by Landlord, its officers, officials, employees, or volunteers shall be in excess of the Tenant's insurance and shall not contribute with it.

Landlord will carry property insurance covering the structure for casualty loss, and boiler and machinery insurance for boiler and mechanical systems loss.

The Tenant will not store or keep any product or equipment within the space that will, because of its nature, increase the risk of casualty losses to the overall building, or that will require additional premiums or specialty coverage.

10. **Payment of Taxes and Other Assessments.** As a tax-exempt entity, the Landlord does not expect to be assessed real estate and personal property taxes and other related assessments or taxes on the Premises. However, should the Tenant change the tax status or should other circumstances cause taxes or assessments to be imposed on the Premises, then Tenant shall pay a pro-rata share of real estate and other related assessments or taxes for the Tenant's Premises during the term of this Agreement. Tenant is responsible for any personal property tax liability as a result of its occupancy and use of the Premises.

11. **Liens.** Tenant shall not permit any liens to attach to the property for work done at Tenant's request or for Tenant's benefit. If Landlord receives notice of any such lien against the property, Tenant shall promptly discharge the lien at Landlord's request, or post funds sufficient to satisfy the lien during any period of good faith contest of the lien by Tenant. In the event Landlord reasonably feels its title to the property is in jeopardy because of any lien Tenant has elected to attach to the property, Landlord may discharge the lien and collect the amount paid from the Tenant. The Tenant agrees to pay all reasonable costs incurred by the Landlord in the defense or discharge of any liens on the property.

12. **Tenant Improvements.** The Premises are being leased to Tenant in AS-IS condition. Any additional interior finish or furnishings desired by the Tenant must be approved in advance by the Landlord in writing and are the responsibility of the Tenant, with no allowance made for the costs of the Tenant improvements unless agreed to by Landlord in writing. The Tenant may, with the prior written consent of the Landlord, but

at its own cost and expense, in a good workmanlike manner, make such alterations and repairs to the Premises as Tenant may require for the conduct of its business; provided, however, Tenant may not materially alter the basic character of the building or fixtures or weaken the structure on the leased Premises. Any permanent alterations or improvements to the Premises shall become the property of the Landlord upon expiration or termination of this Agreement unless specifically exempted in writing prior to commencing work. At the expiration or termination of this Agreement, all Tenant improvements that could be deemed fixtures under the law become the property of the Landlord unless specifically exempted in writing prior to installation.

13. **Signs.** All exterior signs require affirmation from City Council prior to final approval. All signs must meet criteria of the City's Sign Code. The following restrictions apply to exterior building signs:

- a. **Front Door Window Signs**– Tenant may replace existing front door window vinyl signs for early childcare and customize the signs with specific hours. No other sizes or fonts allowed. Tenant may state either their business name or website in 1" letters. Tenants may add their logo below their name or website. Logo Sign not to exceed 4.25"x 5.5".
- b. **Monument Sign on Park Avenue** – If signage is allowed to be placed or continue on the Monument Sign, then the Sign and the signage must conform to the Sign Code and any City Council approval must be received.

14. **Assignment/Sublease.** The Lease may not be assigned or the Premises sublet without the advance written consent of Landlord, which may be withheld in its sole discretion.

15. **Remedies.** In the event the Tenant fails to pay monthly installment payments when due, or violates or reaches any other term or condition of the Agreement, Landlord shall have the right to exercise the following remedies, and any other remedies available at law or equity:

- a. Landlord may, by written notice to Tenant, demand that Tenant either pay rental installments due within ten (10) days or quit the premises within fifteen (15) days;
- b. Landlord may permit the Tenant to remain in possession and sue for the installments that are past due;
- c. Landlord may re-let the premises for Tenant's account at the rate and on such terms as are commercially reasonable at the time and under the circumstances, and charge Tenant for any difference in the rental received and the rental agreed to herein, provided that any re-letting shall be done in good faith under the circumstances;
- d. Landlord may agree to a payment of damages in such amount as the parties then agree, and release the Tenant from obligations under this Lease entirely. Unless Landlord has released Tenant's continued performance under this Lease, Tenant

is deemed to be in possession of the Premises, and any re-letting by Landlord shall first be used to mitigate damages from Tenant's breach. Tenant is responsible for all payments and obligations under the Lease until Landlord releases Tenant.

16. **Covenant of Quiet Possession.** Landlord covenants with Tenant that Landlord owns or controls the Premises and that Tenant's possession will not be disturbed by acts or omissions of the Landlord so long as Tenant faithfully performs the obligations of this Lease. However, Tenant acknowledges the Premises are part of a larger public building. Therefore, Tenant may experience temporary impacts to operations, noise, and parking access customarily found with public buildings.

17. **Maintenance.** The Landlord shall be responsible for all structural maintenance of the Premises, including the roof, foundation, structural members, and exterior wall surfaces. The Landlord will be responsible for janitorial service in areas used in common with the Library Building and other tenants and cleaning the outside of the glass and replacement in the event of damage from an outside source. Tenant shall be responsible for all interior maintenance, including mechanical and electrical fixtures to the extent that they are located within and exclusively benefit the Premises, janitorial service, and glass maintenance (both cleaning the inside and replacement in the event of damage from an inside source) which is within the leased Premises or solely serves the Premises. Landlord shall be responsible for mechanical systems, which serve space as reasonably necessary to maintain the structure and to service common utility facilities. Exterior maintenance of the site and snow removal shall be Landlord's responsibility.

18. **Access to Other Spaces.** Tenant shall not interfere with the access to other spaces within the building or obstruct the entrances to those other spaces in any way. Landlord shall have such access through Tenant's space as reasonably necessary to maintain the structure, service common utility facilities, and program use. With reasonable notice, the Landlord shall have the right to inspect the Premises during the Tenant's normal business hours.

19. **Force Majeure.** Force Majeure: Either party shall be excused for the period of any delay in the performance of any obligations under this Agreement when prevented from doing so by cause or causes beyond its control, including labor disputes, civil commotion, war, governmental regulations or controls, fire or other casualty, weather, pandemic, inability to obtain any materials or services, or acts of God.

20. **Increased Insurance Risk.** Tenant will not permit said Premises to be used for any purpose which would render the fire insurance on the building or the Premises void or cause cancellation thereof or increase the insurance risk or increase the insurance premium in effect at the time of the terms of this Lease. Tenant will not keep, use or sell, or allow to be kept, used or sold in or about the Premises any article or materials which are prohibited by law or by standard fire insurance policies of the kind customarily in force with respect to the Premises of the same general type as those covered by this Agreement.

21. **Care and Repair of Premises by Tenant.** Tenant will inspect and accept the Premises for the purposes of this Agreement prior to taking occupancy. Tenant will not commit any waste on Premises, nor shall it use or permit the use of the Premises in violation of any state law or county or municipal ordinance or regulation applicable thereto.
22. **Damage or Destruction.** If the Premises or any part thereof shall be damaged or destroyed by fire or other casualty, Landlord shall promptly repair all such damage and restore the Premises without expense to the Tenant subject to delays due to adjustment in insurance claims, strikes and other causes beyond the Landlord's control. If such damage or destruction shall render the Premises uninhabitable in whole or in part, the rent shall be abated wholly or proportionately until the damage shall be repaired and the Premises restored. If the damage or destruction shall require removal of Tenant's operations from the Premises, either Landlord or Tenant may elect to terminate this Lease by written notice to the other within thirty (30) days after the occurrence of such damage or destruction. Tenant shall receive permission from Landlord to use space heaters and/or any other electrical equipment which may overload the system.
23. **Surrender of Premises.** Tenant agrees to surrender the Premises at the expiration or sooner termination of this Agreement or any extension thereof in the same condition or as altered pursuant to the provisions of this Agreement, ordinary wear, tear and damage by the elements or other acts of God excepted.
24. **Holding Over.** Continued possession, beyond the expiration date of the Term of this Agreement or any extension term, by the Tenant (and absent a written agreement by both parties for an extension of this Agreement, or for a new agreement, and absent the written consent of the Landlord) shall constitute a month-to-month extension of this Agreement at a rental of 10% (ten percent) of the previous rental for the Premises (plus payment of all other expenses payable by Tenant as set forth in this Agreement). Such holding over without the Landlord's consent shall not prejudice the Landlord's right to bring an action for the eviction of the Tenant.
25. **Indemnity.** The Tenant shall indemnify and hold the City and its agents, employees, and officers, harmless from and shall process and defend at its own expense any and all claims, demands, suits, at law or equity, actions, penalties, losses, damages, or costs, of whatsoever kind or nature, brought against the City arising out of, in connection with, or incident to the execution of this Agreement and/or the Tenant's defective performance or failure to perform any aspect of this Agreement; provided, however, that if such claims are caused by or result from the concurrent negligence of the City, its agents, employees, and officers, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Tenant; and provided further, that nothing herein shall require the Tenant to hold harmless or defend the City, its agents, employees and/or officers from any claims arising from the sole negligence of the City, its agents, employees, and/or officers. The Tenant expressly agrees that the indemnification provided herein constitutes the Tenant's limited waiver of immunity as an employer

under Utah Code Section 34A-2-105; provided, however, this waiver shall apply only to the extent an employee of Tenant claims or recovers compensation from the City for a loss or injury that Tenant would be obligated to indemnify the City for under this Agreement. This limited waiver has been mutually negotiated by the parties and is expressly made effective only for the purposes of this Agreement. The provisions of this section shall survive the expiration or termination of this Agreement.

No liability shall attach to the City by reason of entering into this Agreement except as expressly provided herein.

26. **Landlord Liable only for Negligence.** Except where caused by Landlord's negligence, Landlord shall not be liable for any failure of water supply, natural gas supply or electrical supply; or for any injury or damage to persons or property caused by gasoline, oil, steam, gas or electricity; or hurricane, tornado, flood, wind or similar storms or disturbances; or water, rain or snow which may leak or flow from the street, sewer, gas mains or any subsurface area or from any part of the building or buildings or for an interference with light.

27. **Nondiscrimination.** In the performance of this Agreement, Tenant shall not discriminate on account of actual or perceived race; color; sex; pregnancy, childbirth, or pregnancy-related conditions; age, if the individual is 40 years or older; religion; national origin; disability; sexual orientation; gender identity; genetic information; or military status.

28. **Waiver of Covenants.** It is agreed that the waiver of any of the covenants of this Lease by either party shall be limited to the particular instance and shall not be deemed to waive any other breaches of such covenant or any provisions herein.

29. **Rights of Successors and Assigns.** The covenants and agreements contained within the Lease shall apply to the benefit of successors in interest and legal representatives, except as expressly otherwise hereinbefore provided.

30. **Building Security.** The Landlord will install doors with locking hardware. The Tenant is entitled to put locks on the doors to its space, provided the Landlord is given keys for reasonable access and building maintenance. Both parties will attempt to keep the exterior doors locked after their use of the building is completed for the day, and the Tenant shall have the obligation of checking all exterior doors and setting of alarm at the conclusion of each day to make sure that they are locked, and that windows in the rooms used by the Tenant are secured. Lights should be turned off at the conclusion of the Tenant's use each day.

31. **Parking.** As approved by the Master Planned Development on May 30, 2014, access to the parking shall be from Park Avenue. Twelfth Street shall only be used as a secondary access. Non-exclusive parking shall be at the Library Parking Lot (82 spaces), overflow parking shall be at the Mawhinney Parking Lot across the street. The Tenant shall not have assigned parking spots and shall park in general parking areas and follow

parking rules and regulations as posted and associated with the Premise. The Landlord will inform the Tenant of any changes to parking rules or regulations for daily use and during Special Events or parking lot closures. There are no guaranteed spots. The Landlord will assign a minimum of two short-term load/unload parking spaces proximate to the entry of the building for non-exclusive Tenant use.

Child Care Service RFP Questions & Answers

Q. Could we schedule a 30-minute call to have a conversation regarding the pre-bid component of the process?

A. Part of the benefit of the pre-bid meeting is that I will be showing the space. Other than that, it will really be an opportunity for folks to ask questions in person and I provide answers. All the questions and answers will be recorded and posted.

Currently, I am not able to schedule another pre-bid meeting. I would encourage you to send someone from your organization if you cannot attend or refer to the posted questions. If I hear that many others cannot attend the meeting on July 6 meeting, I may reconsider hosting a second pre-bid meeting open to anyone, but we do have several responses for the July 6 meeting so far.

Q. Will the kitchen on the third floor be available for use?

A. There is a kitchen in the childcare facility. The kitchen on the third floor near the preschool is available for all Library rentals, and can be used but it will need to be reserved (possibly for a fee). It can also be part of the respondent's proposal.

Q. Can the Santy Auditorium and the Community Room be used?

A. Dependent on the times, due to the library having their scheduled programming and community uses yes. These rooms can be reserved. It can also be part of the respondent's proposal.

Q. Can graduations or events be held in the front garden area near the pre-school entrance?

A. Yes, the previous childcare provider used the area for small events. it can be part of the RFP proposal.

Q. Has the door within the childcare space been used?

A. The secondary door in the childcare space was not used on a regular basis for the previous childcare provider, as it was locked and only used for emergency use. There are two exits in the childcare space as required by the building code.

Q. Is the priority for the childcare space pre-school aged?

A. Council's priority age includes 0-3 years of age. The respondent will have room for negotiation, to keep in mind it's stated in the RFP the prioritized age group.

Q. Is there any other way to access the space? Elevator?

A. It is up to the respondent to choose references that can speak to the service they are proposing.

Q. In terms of insurance, are there prerequisites for Park City or is it based on the service by the provider? For example, if the provider does not drive children, then would auto insurance be necessary?

A. As outlined in the RFP, any changes to insurance should be part of the proposal. Auto insurance is typically required for other items besides driving children related to the business such as staff driving or transporting materials for the organization.

Q. It looks like the playground fence maybe 4 inches too short. Is that something the City will look into if necessary to fix?

A. If playground upgrades are requested by the respondent, it should be included in the proposal. This is City property, so it would seem to make sense for the City to take on replacing this fence, however, that needs to be further evaluated.

LATE QUESTIONS:

Q. Assuming that the space is used for preschool for 3 – preK, what percentage of students would ideally need to be PCMC employees? Is there a specific number of employees you are seeking to provide this service for?

A. It is up to the respondent to make this proposal. At this time there are no specific numbers.

answer.

A. Because the question was received late, I need additional time to follow up for this answer.

Q. Would the City consider having a private donor renovate the playground and naming it to honor someone?
