### **I. Introduction.**

PCMC has produced the Fourth of July celebration event since 2016. This is one of our community's favorite events and attracts nearly 40,000 people – locals and visitors alike.

As a part of the event, we typically host a public fireworks display to culminate the day-long celebration of our nation's birthday. With increased wildfire risk and environmental impacts from traditional fireworks, we are shifting to a more sustainable option of a drone show. A successful Respondent should have prior experience in executing public drone shows.

The total project maximum funds available are \$135,000 total/\$45,000 per year.

### **II. Scope of Project.**

The successful Respondent will conduct a drone show on the evenings of July 4, 2024, 2025, and 2026, between 9:30 p.m. and 10:00 p.m. This includes management of the program, including staffing, maintaining safety, site setup, execution of the show, and breakdown, all in coordination with City staff.

The selected Respondent will work with City staff and a contracted event planner hired by the City on all matters related to the project. This shall include budgetary considerations, project timelines, accessibility, and obtaining required City, County, or State permits, and coordinating with local businesses or organizations.

### **III. Contents of Proposal and Evaluation Criteria.**

#### **A. Required content and minimum qualifications.**

The proposal must include:

- **Bio**– information and brief resume, focusing on the past three years. Include information about your business organizational structure related to the project.
- **Experience & References** - A statement detailing your experience in drone programming and the experience and financial stability of your business, including information about licensing, current business licenses, and staff training/licenses. Respondents should include no less than two references with names, phone numbers, and emails.
- **Proposal**– Describe your proposal for this project. Explain the proposed operational plan, flight plan, site location/map, budget, timeline (leading up to and day of the program), process, required certifications, and method to complete the project.
- **Budget**– Include a proposed budget of projected costs to be incurred by the selected Respondent, including the performance of services specified, labor, travel, lodging, insurance, materials, and any other costs.

Proposals will be evaluated on the criteria listed below. Proposals are limited to 10 pages.

If Respondent proposes to use a third party (subcontractor, subconsultant, etc.) for completing all or a portion of the scope of work requirements, state the name and identify the portion of the scope of work to be completed by a third party.

#### B. Evaluation Criteria

Each member of the selection committee shall use the evaluation criteria and percentage weights below to establish their own ranking of the Respondents. The committee shall then use these individual rankings to establish an aggregate ranking of all the accepted Proposals. The evaluation criteria and basis for the award are attached as **Exhibit “B”** and incorporated herein.

General and Specialized Experience – (30%): (a) Respondent’s ability, capacity, and skill to perform or provide the required services; (b) Respondent’s demonstrated ability with respect to quality, availability, and adaptability of the supplies or contractual services; and (c) Respondent’s organizational and financial history.

Past Performance and Experience of Proposed Personnel – (20%).

Plan of Operation/Performance – (50%): (a) quality of Respondent’s operation plan; (b) Respondent’s plan to contribute to City’s defined goals; and (c) Respondent’s proposed budget for the project.

The selection committee will consider all documents, the presentation/interview if applicable, the response to the RFP, information gained while evaluating responses, and any other relevant information to make its determination. The committee will select the Respondent which, in the committee's sole judgment, is best able to provide a drone show for public entertainment purposes for the Fourth of July Celebrations on July 4, 2024-2026.

**NOTE: Price may not be the sole deciding factor.**

PCMC reserves the right to reject any and all proposals for any reason. Proposals lacking required information will not be considered. The award of a contract is subject to approval by City Council.

**IV. Government Records Access and Management Act.**

PCMC will maintain a nonpublic process for the duration of this solicitation in accordance with Government Records Access and Management Act, Title 63G, Chapter 2 of the Utah Code (“GRAMA”). Pursuant to Utah Code § 63G-2-305(6), all records related to this RFP, including but not limited to proposals, evaluation, and selection procedures, and any records created during the evaluation and selection process will remain nonpublic records. After execution of a contract, all submittals will be treated as public records in accordance with the requirements of GRAMA unless otherwise claimed by the Respondent as exempt from disclosure pursuant to Utah Code § 63G-2-309, as amended. The burden of claiming an exemption shall rest solely with each Respondent. Respondent shall submit any materials for which Respondent claims an exemption from disclosure marked as “Confidential” and accompanied by a statement from Respondent supporting the exemption claim. Failure to timely submit a written basis for a claim of “Confidential” may result in a waiver of an exemption from disclosure under GRAMA.

- C. For convenience, a Business Confidentiality Request Form (“BCR Form”) is attached to this RFP as **Attachment 1** and incorporated herein. Respondent must submit a completed BCR Form at the time of submission of any proposal.

**V. Ethics.**

By submission of a proposal, Respondent represents and agrees to the following ethical standards:

**REPRESENTATION REGARDING ETHICAL STANDARDS:** Respondent represents that it has not: (1) provided an illegal gift or payoff to a city officer or employee or former city officer or employee, or his or her relative or business entity; (2) retained any person to solicit or secure this contract upon an agreement or understanding for a commission, percentage, or brokerage or contingent fee, other than bona fide employees of bona fide commercial selling agencies for the purpose of securing business; (3) knowingly breached any of the ethical standards set forth in the City's conflict of interest ordinance, Chapter 3.1 of the Park City Code; or (4) knowingly influenced, and hereby promises that it will not knowingly influence, a city officer or employee or former city officer or employee to breach any of the ethical standards set forth in the City's conflict of interest ordinance, Chapter 3.1 of the Park City Code.

- (4) **“Proceeding”** means any investigation, claim, judicial, administrative, or arbitration action or lawsuit, or other cause of action of every kind or character, brought by third parties against PCMC, its agents, employees, or officers, that arises out of this Agreement or the performance of this Agreement by Service Provider or its Subcontractors or subconsultants of any tier, or anyone acting under Service Provider’s direction or control, including after the expiration or termination of this Agreement.
- B. **Indemnification.** Service Provider shall indemnify PCMC and its agents, employees, and officers against all Indemnifiable Losses arising out of a Proceeding, except to the extent the Indemnifiable Losses were caused by the negligence or willful misconduct of PCMC.

parties. The provisions of this section shall survive the expiration or termination of this Agreement. No liability shall attach to PCMC by reason of entering into this Agreement except as expressly provided herein.

- H. No Limitation. The indemnification obligations of this Agreement shall not be reduced by a limitation on the amount or type of damages, compensation, or benefits payable by or for the Service Provider or Subcontractor under workers' compensation acts, disability benefits acts, or other employee benefit acts.
- I. Interpretation. The parties intend that the indemnity and defense provisions in this Article shall be interpreted so as to be enforceable to the fullest extent permitted by law, but nothing herein shall be interpreted to violate public policy.

Service Provider shall cause each policy to be endorsed with a waiver of subrogation in favor of PCMC for all work performed by Service Provider, its employees, agents, and Subcontractors.
- I. Quality of Insurance Companies. All required insurance policies must be issued by insurance companies qualified to do business in the state of Utah and listed on the United States Treasury Department's current Department of Treasury Fiscal Services List 570 or having a general policyholders rating of not less than "A-" in the most current available A.M. Best Co., Inc.'s, Best Insurance Report, or equivalent.
- J. Cancellation. Should any of Service Provider's required insurance policies under this Agreement be cancelled before the termination or completion of this Agreement, Service Provider must deliver notice to PCMC within 30 days of cancellation. PCMC may request and Service Provider must provide within 10 days certified copies of any required policies during the term of this Agreement.
- K. Additional Coverage. Notwithstanding anything to the contrary, if Service Provider has procured any insurance coverage or limits (either primary or on an excess basis) that exceed the minimum acceptable coverage or limits set forth in this Agreement, the broadest coverage and highest limits actually afforded under the applicable policy(ies) of insurance are the coverage and limits required by this Agreement and such coverage and limits must be provided in full to the additional insureds and indemnified parties under this Agreement. The parties expressly intend that the provisions in this Agreement will be construed as broadly as permitted to be construed by applicable law to afford the maximum insurance coverage available under Service Provider's insurance policies.
- L. No representation. In specifying minimum Service Provider's insurance requirements, PCMC does not represent that such insurance is adequate to protect Service Provider from loss, damage or liability arising from its work. Service Provider is solely responsible to inform itself of types or amounts of insurance it may need beyond these requirements to protect itself.

#### **ARTICLE 10 – NONDISCRIMINATION.**

- A. Nondiscrimination. Service Provider shall not discriminate against any employee or applicant for employment because of race; ethnicity; color; pregnancy, childbirth, or pregnancy-related conditions; age, if the individual is 40 years of age or older; religion; national origin; disability; sexual orientation; gender identity; or military status.

- (1) Policy. Service Provider shall implement an employment nondiscrimination policy, if Service Provider does not already have such a policy, to effectuate the prohibition in this section; and
- (2) Subcontractor Flow-Through. Service Provider shall incorporate the foregoing non-discrimination provisions in all subcontracts or assignments under this Agreement and take action as required to ensure full compliance with the provisions of this non-discrimination policy.

#### **ARTICLE 11 – ASSIGNMENT/SUBCONTRACTING.**

- A. Assignment. Service Provider shall not assign any portion of its performance under this Agreement without PCMC’s written consent. Consent must be sought in writing by the Service Provider not less than 30 days before the date of any proposed assignment. PCMC reserves the right to reject assignment without cause. Any purported transfer in violation of this section will be void.
- B. Subcontracting. Service Provider shall obtain advance written consent from PCMC for any Subcontractor not identified in the Scope of Services.

#### **ARTICLE 12 – TERMINATION.**

- A. Convenience. Either party may terminate this Agreement for any reason or no reason by giving the other party at least 30 days’ prior written notice. This Agreement will terminate at midnight at the end of the 30<sup>th</sup> day after that notice is effective. Service Provider must be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination, according to the provisions of this Agreement.
- B. For Cause. If Service Provider fails to comply with any provision of this Agreement and fails to correct noncompliance within three days of having received written notice, PCMC may immediately terminate this Agreement for cause by providing a notice of termination to Service Provider.

#### **ARTICLE 13 – NOTICES.**

- A. Notice Addresses. For a notice or other communication to a party under this Agreement to be valid, it must be addressed using the information specified below for that party or any other information specified by that party in a notice delivered in accordance with this section.

It will be deemed to have been received as follows: (1) upon receipt as stated in the tracking system of a delivery organization that allows users to track deliveries; (2) when the intended recipient signs for the delivery; (3) when delivered by email to the intended recipient with a read receipt, an acknowledgement of receipt, or an automatic reply.

#### **ARTICLE 14 – MISCELLANEOUS PROVISIONS.**

- A. Entire Agreement. This Agreement constitutes the entire understanding between the parties regarding the subject matter of this Agreement.
- B. Modification and Waiver. To be effective, any modification to this Agreement or to the Scope of Services must be in writing and signed by both parties. No waiver under this Agreement will be effective unless it is in writing and signed by the party granting the

waiver (in the case of PCMC, by an individual authorized by PCMC to sign the waiver). A waiver granted on one occasion will not operate as a waiver on other occasions.

- C. Timely Performance. Service Provider shall complete the Scope of Services by any applicable deadline stated in this Agreement. Service Provider is liable for all reasonable damages to PCMC incurred as a result of Service Provider's failure to timely perform the Scope of Services required under this Agreement.
- D. Governing Law, Jurisdiction, Venue. Utah law governs all adversarial proceedings arising out of this Agreement or the subject matter of this Agreement. As the exclusive means of bringing adversarial proceedings to resolve any dispute arising out of this Agreement or the subject matter of this Agreement, a party may bring such a proceeding in courts of competent jurisdiction in Summit County, Utah.
- E. Severability. The parties acknowledge that if a dispute between the parties arises out of this Agreement or the subject matter of this Agreement, it would be consistent with the wishes of the parties for a court to interpret this Agreement as follows: (1) with respect to any provision that it holds to be unenforceable, by modifying that provision to the minimum extent necessary to make it enforceable or, if that modification is not permitted by law, by disregarding that provision; (2) if an unenforceable provision is modified or disregarded in accordance with this section, by holding that the rest of the Agreement will remain in effect as written; (3) by holding that any unenforceable provision will remain as written in any circumstances other than those in which the provision is held to be unenforceable; and (4) if modifying or disregarding the unenforceable provision would result in failure of an essential purpose of this Agreement, by holding the entire Agreement unenforceable.
- F. No Non-Party Rights. Nothing in this Agreement is intended to grant rights of any kind to any non-party or create third-party beneficiary rights of any kind.
- G. Force Majeure. For purposes of this Agreement, a Force Majeure Event means any event or circumstance, regardless of whether it was foreseeable, that was not caused by that party and that prevents a party from complying with any of its obligations under this Agreement, but a Force Majeure Event will not include any strike or labor unrest, an increase in prices, a change in general economic conditions, or a change of law. A party that is prevented by the occurrence of a Force Majeure Event from performing any one or more obligations under this Agreement will not be liable for any failure or delay in performing those obligations, on condition that the non-performing party uses reasonable efforts to perform. The non-performing party shall promptly notify the other party of the occurrence of a Force Majeure Event and its effect on performance. Thereafter, the nonperforming party shall update the other party as reasonably necessary regarding its performance. The nonperforming party shall use reasonable efforts to limit damages to the other party and to complete its full performance under this Agreement.

Each party is signing this Agreement on the date stated opposite that party's signature.
