What We're Doing

1. **Following** official guidance from our state and local health departments.
2. **Enhanced** daily cleaning and sanitizing procedures.
3. **Providing** hand sanitizer and/or wipes on buses and in transit centers.
4. **Making** facemasks available on all buses.
5. **Installing** operator barriers on all buses.
6. **Implementing** facemask and distancing requirements for employees.
7. **Daily** health and symptom screenings for our employees.
8. **Providing** employees with masks, gloves, and cleaning supplies.

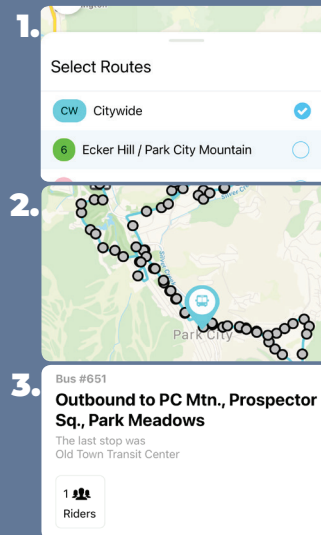

How You Can Help

1. **Do not ride** if you are experiencing symptoms of COVID-19.*
2. **Wear a facemask** that covers your mouth and nose completely.**

*Passengers with COVID-19 symptoms are asked to use On-Demand service for essential travel. Call 435.640.7819 to schedule a ride.

****Until further notice, riders are required to wear facemasks while riding or waiting for the bus. Please visit our website for the most up-to-date information.**

3. **Board and exit** through the rear door, unless you need the ramp or bus to be lowered at the front door. Allow others to exit before boarding, please.
4. **Check for crowded buses** before you ride. If possible, take the next bus if yours is too full to keep distance from others.

Open the myStop Mobile app or visit go.parkcity.org and select your route.

Then, tap on the bus you want to ride.

You can then see how many people are riding your bus!

5. **Please follow all posted notices** and guidelines, including those by our state and local health departments.

You can also go directly to google.com/maps and enter your starting point and destination, then change the travel mode to Transit to get transit directions.

How to Ride

Until further notice, riders are required to wear facemasks while riding or waiting for the bus. Before riding, check the myStop Mobile app or go.parkcity.org to see how many riders are on your bus. If your bus is not crowded, please plan to arrive at the bus stop at least five minutes before the bus is scheduled to leave. Enter and exit through the rear doors only, unless you need the ramp or bus to be lowered at the front door.

Where is My Bus?

Bikes on the Bus

Riding your bike is a convenient way to get to or from the bus stop. Every Park City Transit bus is equipped with a bike rack on the front of the vehicle that holds 2-3 bikes. Please note, the bike racks only accommodate standard tires, 2.4" or smaller.

Bikes Inside the Bus

In the event that all exterior bike racks are in use, the bus driver may allow you to bring your bike inside the bus at his or her discretion. To ensure passenger safety, a **maximum** of three bikes are allowed inside the bus at all times.

Loading Your Bike

For your own safety, load your bike only from the curb side of the bus. Loading from the traffic side of the street is dangerous. Loading your bike onto the bus is as easy as 1-2-3.

1. Squeeze and extend the chrome release handle on top of the bike rack. Then, lower the rack from its upright position into its locked, horizontal setting.

2. Load your bike into the front or back slot with the front tire directly facing the spring-loaded hook.

3. Grip and fully extend the spring-loaded hook over the front tire. Then, lower it into a fixed position.

Removing Your Bike

For your own safety, remove your bike from the curb side of the bus. Removing from the traffic side of the street is dangerous and not allowed. Again, removing your bike is as easy as 1-2-3.

1. Grip and release the spring-loaded hook from the front tire and set it to its original horizontal position.
2. From the curb side of the bus, remove your bike from the rack.
3. If there aren't any other bikes, return the rack to its upright, locked position by squeezing the chrome release handle and lifting the rack.

Other Personal Items

Please keep ski and snowboard equipment, strollers, and any other personal items in your possession at all times. Do not block the aisles or exits with your items. If you are sitting in a priority seating area, please vacate your seat for seniors and passengers with disabilities.

Lost and Found

Park City Transit is not responsible for items left on the bus or at the bus stop. If you left an item behind, call us at (435) 615-5301 during business hours. After hours, call us at (435) 615-5350 to leave a message. You may also use KPCW's lost and found service to log your lost item or check to see if it has been found by someone else.
